WHY CHOOSE HAT COLLECTIVE?

We are a curious company, on a quest to empower individualization in the workplace through our collection of flexible, ergonomic solutions for the contract office market. Our brand is committed to quality and affordability, with an emphasis on customer service and exceptional levels of support for our network of dealers. It's easy to do business with HAT Collective.

EXCEPTIONAL SERVICE

Our reliable, responsive teams are dedicated to personalized service. Whether online or in person, we keep things simple. HAT Collective is easy to work with.

DESIGN-FORWARD

The efforts of our innovative in-house Danish and American manufacturing teams combine to create an aesthetically impactful product collection.

CUSTOM MADE EASY

Our products prioritize personalization, giving you a multitude of ways to create your ideal workspace.

QUICK SHIPPING

Bi-coastal warehouses and a large number of in-stock products mean we're able to fulfill orders in as little as three business days (or less).

WELL-PRICED

We remain committed to excellence and affordability as we endeavor to revolutionize well-being and productivity in the workplace.

S-COLLECTION

SE 2-LEG, 2-STAGE

The SE 2 Leg, 2-Stage desking solution exemplifies the Danish design principles of simplicity and functionality. This electric, height-adjustable table offers a slightly smaller height range than the 3-Stage, but with equal weight capacity and visual configurations.

A wide range of color combinations, finishes, and surface shapes make the 2-Stage a highly customizable option. This electric sit-to-stand table comes in a 2-leg configuration with a long list of optional features.

FEATURES

- **Adjustable:** Electric motor allows for a 350 lb. lift capacity, raising at 1.5" per second.
- **Smart:** Standard, software-based collision detection mitigates damage.
- **Certified:** Meets ANSI/BIFMA standards and is ETL listed to UL 962.
- **A Safe Space™ Product:** Easily reconfigured to allow for social distancing in the workplace.

S-COLLECTION

SX 2-LEG, 3-STAGE

The SX 2-Leg, 3-Stage offers S-Collection's largest height range. This electric sit-to-stand table comes in a 2-leg configuration, with all of the bells and whistles we could fit onto one worksurface.

Elegance meets powerful functionality in this 2-leg, 3-stage height-adjustable desking solution. Choose from a wide range of laminates, finishes, and optional tech features to create your ideal workspace.

FEATURES

- **Adjustable:** Electric motor allows for a 350 lb. lift capacity, raising at 1.5" per second.
- **Smart:** Premium, hardware-based collision detection mitigates damage.
- **Certified:** Meets ANSI/BIFMA standards and is ETL listed to UL 962.
- **A Safe Space™ Product:** Easily reconfigured to allow for social distancing in the workplace.

Innovative is a pioneer in the world of desktop converters and monitor arms that exists to design, engineer and manufacture inventory products for the industry and it's partners. For over 30 years, our space-saving monitor arms, mounts, and sit-stand solutions have promoted healthy and productive professional environments.

INNOVATIVE

PRODUCT LINE

WINSTON DESK®

Corner desk option available

Reinforced edge for mounting an optional monitor arm

The Winston Desk is an ultra-easy sit-stand solution featuring a display surface and retractable keyboard desk. Winston Desk ships fully assembled and ready-to-use; just set it on top of your desk and you're ready to work.

Winston uses an assisted lift mechanism to help you switch easily between sitting and standing in just a few seconds. It holds up to 35 lbs., staying steady and solid at every height. The Winston Desk is also available in a corner model, ideal for cubicle corners or L-shaped desks.

FEATURES

- **Easy:** Ships fully assembled, no installation required.
- **Ergonomic:** Adjustable positioning allows for an active, healthy work environment.
- **Customizable:** Upper surface has a .5" bolt-thru hole for mounting an optional monitor arm.
- **Adjustable:** Dual-handle design puts effortless operation at your fingertips.
- **A Safe Space™ Product:** Can be easily disinfected between users.

WINSTON WORKSTATION®

Expansive worksurface

Seamless height adjustment

This workstation instantly converts any desk into a sit stand workspace, boosting health and productivity. Winston is available in single, dual, triple, and quadruple monitor support.

The Winston's Worksurface easily reserves room for a keyboard, mouse, and storage tray. Retrofit your existing desk into a healthy workspace with three easy mounting options. Winston Compact is ideal for users with limited space who want to take advantage of a healthy sit-stand workstation.

FEATURES

- **Stability:** Features an overall height adjust range of 17" and a locking cylinder to keep the workstation in place.
- **Easy:** Retrofit your existing desk with freestanding, desk clamp, or thru-desk options.
- **Organized:** Clips in the column and beam keep cables out of the way.
- **Convenient:** Expansive Worksurface and storage tray allows you to bring all necessities with you when you stand.
- **A Safe Space™ Product:** Can be easily disinfected between users.

WINSTON-E®

Focal depth adjustment allows for ergonomic viewing

Independent monitor height adjustment

Winston-E is a responsive powered riser that takes the sit-stand conversation to a whole new level. The next-generation retrofit worksurface with monitor arms is engineered for freedom of movement and is available in a single, dual, or triple monitor configuration.

Featuring one-touch electric power, the desk's programmable control remembers your height so you can set it and forget it. Focal depth adjustment and independent movement keeps monitor at a comfortable, ergonomic level.

FEATURES

- **Easy:** Installers can get Winston-E from box to up-and-running in less than 20 minutes. No need to move or replace furniture.
- **Programmable:** Electric lift remembers your height settings for one-touch adjustment.
- **Flexible:** Independent monitor movement enable easy screen sharing.
- **Convenient:** Large worksurface and newly designed storage tray allow you to bring all necessities with you when standing.
- **A Safe Space™ Product:** Can be easily disinfected between users.

MONITOR ARMS

Our sophisticated monitor arms provide ergonomics, space savings, and clever design. Here, you'll find one-touch adjustment, effortless movement, and sure-footed stability to support a multitude of screen configurations. Reclaim your desktop with our sleek mounting systems that are easy to install.

EVO®

Evo is ergonomics, space savings, and clever design all packed into one slim monitor arm. One-touch adjustment and an efficient cable management system keep things extra simple.

It's easier than ever to mount a flat panel monitor with this arm's modern design. The Dual Evo monitor mount provides intuitive function and dual rotation for easy, ergonomic viewing of both screens.

FEATURES

- **Balanced:** Tension adjustment at each joint allows for seamless counterbalance.
- **Responsive:** One-touch monitor adjustment.
- **Quick-Install:** Detachable, quick-install VESA plate(s) and above desk mount installation for quick and easy set-up.
- **Flexible:** Easily rotate flat panel monitor for portrait or landscape viewing.
- **Compatible:** VESA-monitor compatible – 75mm & 100mm VESA adapter(s) included.

STAXX™

Designed for modularity, this groundbreaking display system can accommodate up to six monitors using a single mount. Staxx is a completely configurable pole-based solution allowing the addition of monitors by stacking more of the same parts on top of each other.

Flexible extension arms allow you to independently position the monitors for your perfect viewing angle. Staxx also comes in a Wide model, enabling even larger screen mounting capabilities.

FEATURES

- **Scalable:** Easy to install and reconfigure.
- **Capable:** Mount large screens stacked or side by side.
- **Customizable:** Available in a wide range of sizes and configurations.
- **Adjustable:** Flexible extension arms provide easy positioning and personalized viewing angles.
