MONITOR ARMS

## EFFORTLESS MOVEMENT.

Our sophisticated monitor arms provide ergonomics, space-savings, and clever design. Here, you'll find one-touch adjustment, effortless movement, and sure-footed stability to support a multitude of screen configurations. Reclaim your desktop with our sleek mounting systems that are easy to install.

# EASY. FLEXIBLE. INTUITIVE.

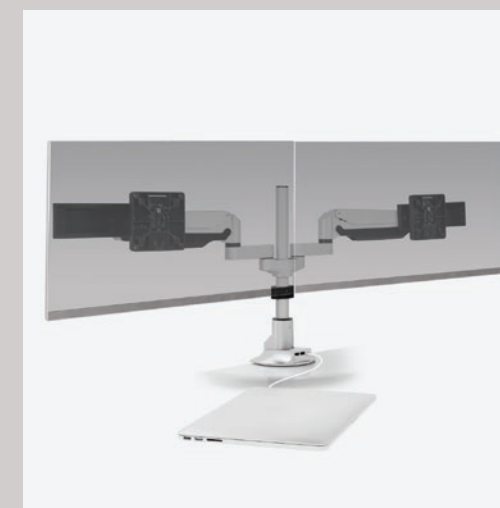

**Fast**  
Engineered for quick set-up, our unique top down mount installs to desk with ease.

**Adaptable**  
Designed for modularity, our monitor arms can be configured to each user's specific needs.

**Flexible**  
Intuitive monitor positioning allows the user to simply grab the monitor and place it where it's needed.

**Accessorizable**  
Add accessories like our snap-on charger that puts power that's always within reach.

IN-STOCK

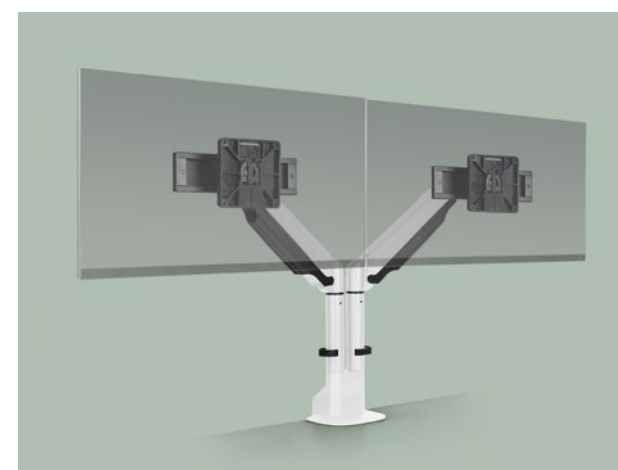

# E2

## AN EVOLUTION IN ERGONOMICS.

E2 Single & Dual Monitor Arm, S-Collection SX 3-Stage Workstation, Power Module, Aura Divider, Collective Storage Credenza with Cushion

E2 Dual Monitor Arm, Snap On Charger, HAT Benching, PET Divider, Mobile Pedestal Slim with Cushion

E2 Dual Monitor Arm

Introducing "E2", the next generation of the original Envoy monitor arm. E2 offers a polished design with maximum flexibility for user-screen interaction. A recent study cites that 24% of workers experience neck pain; the E2 seeks to optimize user performance and adjustment control while eliminating the strain on neck muscles.

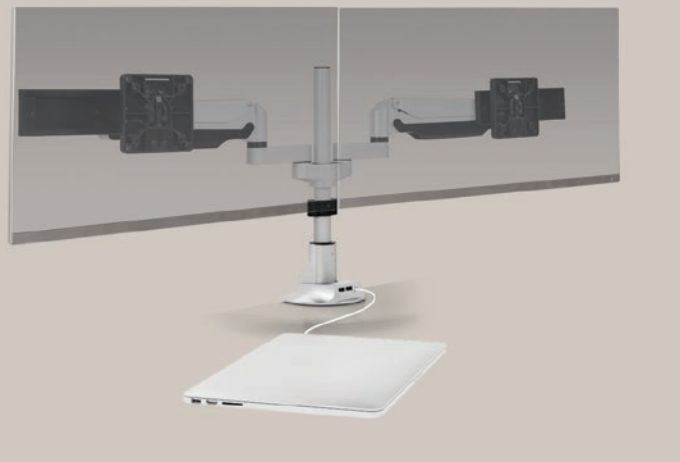

# E2 CONNEX

ENHANCED INTERACTIONS  
WITH TECHNOLOGY.

With E2 Connex, you can add or remove monitors without compromising your original configuration. Choose between static or dynamic arms or add sliders for fine-tuned monitor adjustment. Easy to install, easy to change up, and easy to accessorize, the E2 Connex monitor arm helps to build a complete, individualized workspace.
