HAT
DESIGN WORKS™
HUMAN ACTIVE TECHNOLOGY

HAT DESIGN WORKS IS TRUE DESIGN.

With a pioneering spirit, we push the boundaries of conventional engineering. Our studio is a nucleus of innovation, where designers, engineers, and manufacturers collaborate to reimagine the workspace. From concept to delivery, our team is hands-on, continually assessing and improving. At HDW, we create new, exciting products to improve the user experience.

We are solutions people.

TABLE OF CONTENTS

MODULAR NOW® POLE MOUNTS 6
Modular Now is an adaptable, customizable POS mounting system.

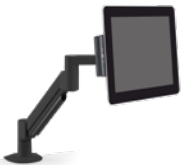

PAYMENT TERMINAL MOUNTS 16
Our payment terminal stands and wall mounts offer robust support for hospitality and retail.

TABLET ENCLOSURES 38
Combine any tablet enclosure with one of our mounting options for a custom tailored solution.

POLE MOUNTS 54
Sturdy, robust pole and freestanding mounting solutions.

MONITOR ARMS + WALL MOUNTS 62
Flexible arms with easy height adjustment and space saving wall mounts.

WHY CHOOSE HAT DESIGN WORKS?

Our POS solutions provide secure and customizable monitor mounting options for a variety of applications, such as retail, restaurant, and hospitality.

We offer a wide selection of POS mounts payment terminal stands, and tablet enclosures. These solutions are designed to withstand heavy use while providing space-savings, flexibility, and security. Create your ideal POS display by pairing any of our enclosures with a large selection of VESA-compatible mounts. Whether you need a standard or custom product, our US-based production team is able to design and manufacture your mounts to meet installation deadlines, even for large-scale projects of 3,000 units or more.

Dependability

We offer reliable service and durable products built to withstand heavy-use environments.

Customization

Our inventive engineers can combine existing components or build new, customer-specific solutions.

Award-Winning Design

We are pioneering ergonomics by combining product performance with innovative design.

Efficiency

On-site prototyping and manufacturing paired with hassle-free ordering ensures swift response times.

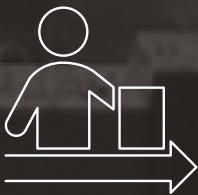

Accuracy

Our specialists work with customers from start to finish, overseeing the successful completion of each project.

Configurability

HDW's unique designs can be configured to meet your specifications.

Designed + Assembled in the USA

Most of our products are proudly designed and assembled in our Easton, PA headquarters.

Warranty

Our solutions are backed by a 10-year warranty, giving you confidence in your purchase.

Support

Our US-based customer service team delivers outstanding product knowledge, answering all of your questions.

MODULAR NOW POLE MOUNTS

MEET MODULAR NOW® — AN ADAPTABLE, CUSTOMIZABLE POS MOUNTING SYSTEM.

Configurable POS Mounts

Not all POS installations are alike, which is why Modular Now was developed to allow customers to quickly and easily create a custom configured solution.

Durable Solutions for Continuous Use

POS environments are notoriously heavy-use, which is why point-of-sale applications need mounting solutions that are designed and built with durability in mind. Expert engineering and a thoughtful production process means Modular Now is one of the highest quality POS mounting options available.

Image is Everything

Choose HAT's clean, attractive POS design to convey a quality image straight through the checkout process.

Maximize Counter Space

More counter space means more selling space. A single Modular Now pole mount can support multiple displays, payment terminals, printers and a keyboard.

CUSTOM SOLUTIONS MADE EASY.

Drive Thru Solutions

Mounts for wall, counter, and window – HDW engineers products that can be easily customized to fit all of your requirements.

POLE MOUNTS

9183

Easily adjust height

Adjustable display angle

Cables may exit above or below surface

Compatible with our Modular Now accessories

Model 9183 is an adjustable countertop POS mount that features easy height adjustment, an attractive appearance, internal cable management, and durable construction.

FEATURES

- **Versatile:** Countertop mount supports monitors, signature capture devices, kiosks, and more.
- **Adjustable:** Users can quickly adjust the monitor height above the counter.
- **Flexible:** Users are able to pivot and turn the monitor; the monitor can also be locked into place if desired.
- **Cable Management:** Monitor mount features internal cable routing; cables may pass through counter or exit behind mount.
- **Durable:** POS display mount is made of durable construction and stands up to retail use.
- **Customizable:** Compatible with Modular Now accessories, except base plates, on the uppermost section of the pole.
- **Compatible:** VESA-monitor compatible – 75mm & 100mm VESA adapter included.

Integrated cable management

7500

The 7500 desk monitor mount features HAT's patented HD tilter, a spring-assisted pivot for the monitor which makes adjustments remarkably easy, even with larger screens. Other features include internal cable management and unique joint bearings for ease of movement.

FEATURES

- **Effortless:** Instantly raise and lower your monitor with one handed repositioning.
- **Flexible:** Easily rotate flat panel monitor for portrait or landscape viewing.
- **Smooth:** Monitor arm includes our spring-assisted HD tilter for smoother monitor pivoting.
- **Adaptable:** Includes our FLEXmount, offering six different reconfigurable mounting solutions in one kit.
- **Compatible:** VESA-monitor compatible – 75mm & 100mm VESA adapter included.

3520 / 7020

Easily reposition display with one hand

Table-top kiosks and touchscreens do not need to occupy valuable floor or table space – HAT’s floating arm mounts to the underside of a table.

FEATURES

- **Space saving:** Mounts to the underside of the table or counter and conveniently tucks away when not in use.
- **Controlled:** Built-in hydro-strut technology prevents monitor from drifting downward when in use.
- **Adjustable:** Easily rotates 360 degrees at two joints with a tilt of 200 degrees.
- **Integrated** Cable management keeps cables out of view.
- **Compatible:** VESA-monitor compatible – 75mm & 100mm VESA adapter included.

The 9110-HD wall mount is ideal for hanging your all-in-one or touchscreen to save maximum space. This flat panel wall mount allows pivot and tilt. You can add optional extender arms to allow even greater flexibility and range.

FEATURES

- **Robust:** Includes our spring-assisted tilter for greater weight capacity and smoother monitor tilt adjustment.
- **Adjustable:** This computer monitor and flat screen TV wall mount features adjustable tension at joints – ideal for touch-screen applications.
- **Easy:** Easily pivot the monitor from portrait to landscape.
- **Customizable:** Extend the wall mount with available 4" and 8" extension arms; they can also be combined to increase the extension over 17".
- **Compatible:** VESA-monitor compatible – 75mm & 100mm VESA adapter included.
