# Height Adjustable Tables

Height-adjustable base and worksurface creates the optimal ergonomic work experience.

HAW3

## S-COLLECTION SE, 2-STAGE

The SE 2 Leg, 2-Stage desking solution exemplifies the Danish design principles of simplicity and functionality. This electric, height-adjustable table offers a slightly smaller height range than the 3-Stage, but with equal weight capacity and visual configurations.

A wide range of color combinations, finishes, and surface shapes make the 2-Stage a highly customizable option. This electric sit-to-stand table comes in a 2-leg configuration with a long list of optional features.

---

**FEATURES**

- **Adjustable:** Electric motor allows for a 350 lb. lift capacity, raising at 1.5" per second.
- **Smart:** Standard, software-based collision detection mitigates damage.
- **Certified:** Meets ANSI/BIFMA standards and is ETL listed to UL 962.
- **A Safe Space™ Product:** Easily reconfigured to allow for social distancing in the workplace.

---

**SPECIFICATIONS**

## S-COLLECTION SX, 3-STAGE

The SX 2-Leg, 3-Stage offers S-Collection's largest height range. This electric sit-to-stand table comes in a 2-leg configuration, with all of the bells and whistles we could fit onto one worksurface.

Elegance meets powerful functionality in this 2-leg, 3-stage height-adjustable desking solution. Choose from a wide range of laminates, finishes, and optional tech features to create your ideal workspace.

---

**FEATURES**

- **Adjustable:** Electric motor allows for a 350 lb. lift capacity, raising at 1.5" per second.
- **Smart:** Premium, hardware-based collision detection mitigates damage.
- **Certified:** Meets ANSI/BIFMA standards and is ETL listed to UL 962.
- **A Safe Space™ Product:** Easily reconfigured to allow for social distancing in the workplace.

# Desktop Converters

Our sit-stand workstations convert any desk into a healthy workspace.

CS5

## WINSTON WORKSTATION

Expansive worksurface

Seamless height adjustment

This workstation instantly converts any desk into a sit stand workspace, boosting health and productivity. Winston is available in single, dual, triple, and quadruple monitor support.

The Winston's worksurface easily reserves room for a keyboard, mouse, and storage tray. Retrofit your existing desk into a healthy workspace with three easy mounting options. Winston Compact is ideal for users with limited space who want to take advantage of a healthy sit-stand workstation.

## FEATURES

- **Stability:** Features an overall height adjust range of 17" and a locking cylinder to keep the workstation in place.
- **Easy:** Retrofit your existing desk with freestanding, desk clamp, or thru mount options.
- **Organized:** Clips in the column and beam keep cables out of the way.
- **Convenient:** Expansive worksurface and storage tray allows you to bring all necessities with you when you stand.
- **A Safe Space™ Product:** Can be easily disinfected between users.

# Monitor Arms

Regardless of application, our monitor mounts offer ergonomics, flexibility, and space-savings.

CS2

## E5 SINGLE DYNAMIC

Top-down mount  
installs above desk  
for quick installation

Rotation and friction  
adjustments are  
made externally

Universal connections  
enable easy  
reconfiguration

Integrated cable management  
provides a clutter free space

Monitor arms must adapt to the needs of today's workers, as well as those of tomorrow in the evolving technology landscape. Meet E5 – a next gen monitor mounting system built for simplicity, efficiency, and compatibility.

## FEATURES

- **Fast Assembly:** Our innovative top-down mount, one tool installation, and convenient integrated tool storage makes E5 installation quick and easy.
- **Easy Adjustments:** Rotation stop adjustments are made externally for ease of use. No need to disassemble the arm, simply choose the amount of rotation from 90, 180, and 360 degrees.
- **Painless Configurability:** With 12 components and universal push-button quick connections, E5 offers infinite possibilities for customization.
- **Tension Indicator:** Built-in tension indicator allows the user to pre-counterbalance arms based on monitor weight prior to installation.
- **Quick-Disconnect:** Monitors can be easily changed with the quick-disconnect integrated on the VESA adapter.
- **Cable Management:** Cables are routed down along the arm or pole keeping your workspace clutter free.
