

WINSTON E-DESK

DESKTOP CONVERTERS

ELEVATE YOUR WORKSPACE.

With a single touch, power between sitting and standing height with an incredibly stable worksurface.

Programmable memory is like autopilot for your worksurface and monitors. One-touch control for the perfect standing and sitting height.

FEATURES

- **One-Touch Power:** Touch screen controls allows you to easily alternate between sitting and standing throughout the day.
- **Programmable:** Program your favorite height for sit and stand.
- **Quiet:** Smooth operation allows you to focus on your work.
- **Fast Set-up:** Installs in less than 20 minutes on existing desk.
- **Customizable:** Optional beam mount raises and secures monitors to desk or add a monitor arm to the reinforced edge for flexible monitor positioning.
