HEALTHCARE

STREAMLINED MOBILE WORKSTATIONS.

The FRS Series remains a mainstay in the mobile computer cart industry. With a simple and uncomplicated design, the various configurations provide users with a strong and comfortable workstation.

FEATURES

- **Expansive:** Ample desktop workspace.
- **Stable:** 5-point, 23" aluminum base for non-tip stability.
- **Easy:** Foot pedal operates pneumatic cylinder and provides a full range for sit-to-stand height adjustment.
- **Power:** An ideal solution for sufficient, cord-free power for laptops.
