ENDLESS POSSIBILITIES.

Bild is a highly configurable solution for multi-monitor applications. Configure your Bild – quickly and easily go from 2 to 16 plus monitors – all without wasting parts. Our Bild multi-monitor mount is an easily adjustable monitor mount solution offering an endless number of configurations for installing multiple monitors.

FEATURES

- **Robust:** Bild offers a robust, solid construction with a clean design aesthetic.
- **Controlled:** Monitor mount pivot points loosen and tighten to the desired rigidity using the tools included. Stored in the beam end cap, they are never out of reach.
- **Adjustable:** This multi-monitor mount takes the work out of adjusting and replacing monitors. Simply attach, adjust, and remove all at the face of the beam. No need to slide monitors to remove.
- **Organized:** Cleans up the workspace with cable clips in the column and beam that keeps cables organized and out of the way.
- **Compatible:** VESA-monitor compatible – 75mm & 100mm VESA adapters included.
