# AN ADAPTABLE SOLUTION FOR POS MOUNTS.

Our Modular Now compact mount features durable construction, an attractive appearance and internal cable management to create a clean look for any retail environment.

Easily adjust the display for optimal viewing

Supports VESA compatible displays and tablet enclosures

## FEATURES

- **Flexible:** Allows display to be pivoted and turned, or locked in place if desired.
- **Secure:** Bolts through counter or use the included adhesive pad for a non-drilling installation (freestanding mount also available).
- **Integrated:** Cables may be routed through a grommet hole in the counter.
- **Durable:** Expert engineering and a thoughtful production process means Modular Now poles are one of the highest quality POS mounting options available on the market.
- **Aesthetic:** Modular Now's clean POS design conveys quality, with beauty covers that conceal the mount base for a sleek, polished look.
