HUMAN ACTIVE TECHNOLOGY

DESIGNED WITH DETAILS IN MIND.

Keep your investment secure with our advanced iPad 9th Gen Tablet Enclosure. Made from durable high-density polyethylene, this enclosure is designed to safeguard your device while also allowing convenient access to the home button and camera. Mount to one of our VESA mounts for a flexible self-service or point-of-sale application.

FEATURES

- **Durable:** High-density polyethylene construction with internal silicone pads protects tablet.
- **Accessible:** Cable cutout for charging and wire management.
- **Compatible:** All tablet enclosures are VESA compatible making it easy to combine with our flexible mounting solutions (including our surface, floor, and wall mounting options).
