

COMPACT BARCODE SCANNER HOLDER

POINT-OF-SALE

HAT
DESIGN WORKS™
HUMAN ACTIVE TECHNOLOGY

STREAMLINED SUPPORT.

Our compact barcode scanner holder offers the convenience of holding a scanner independently or next to your display. Attaches to our mini tilter, slider brackets, or directly to most vertical surfaces (hardware not included).

FEATURES

- **Durable:** The durable design ensures long-lasting performance, even in demanding environments.
- **Adaptable:** Attaches to our flexible mounting solutions or directly to most vertical surfaces (hardware not included).
- **Space-Saving:** The compact design allows for efficient use of space while maintaining functionality and ease of use.
- **Compatible:** Universal design supports most hand-held barcode scanners.
- **Easy Installation:** Easily installs in minutes with minimal tools required, offering a quick and hassle-free setup.
