MINIMAL SIZE. MAXIMUM IMPACT.

Redwood Mini Wall Mount Tilt is a compact, easy-to-use wall-mounting solution for payment devices, offering smooth tilt functionality for space-constrained environments. With a minimal footprint, 10 lb load capacity, and intuitive assembly, it delivers durable performance and clean aesthetics.

FEATURES

- **Minimal Footprint:** Ideal for space-constrained environments without sacrificing performance or usability.
- **Independently Positioned Joints:** Multiple joints allow precise positioning for optimal viewing and workflow efficiency.
- **Tuned Movement:** Adjustable pivot connections deliver finely tuned resistance, giving users precise control over rotational and tilt movement.
- **Cleanable:** Durable finishes support quick wipe-down and ongoing maintenance in high-use environments.
- **Easy Assembly with Minimal Tools:** Straightforward, intuitive design reduces install time and complexity.

SPECIFICATIONS

Finishes

Weight Capacity: Up to 10 lbs.

Tilt: Up to 120°

Rotation: N/A

See page 3 for additional specs

Part Numbers

RDW-WMT-UNIV-BLK	Mount + Universal Payment Adapter
RDW-WMT-6200M-BLK	Mount + Equinox 6200m Adapter
RDW-WMT-8500I-BLK	Mount + Equinox 8500i Adapter
RDW-WMT-IPP320/350-BLK	Mount + Ingenico iPP320/iPP350 Adapter
RDW-WMT-ISC250/480-BLK	Mount + Ingenico iSC250/iSC480 Adapter
RDW-WMT-LANE-BLK	Mount + Ingenico Lane Keyed Adapter
RDW-WMT-LANE-WK-BLK	Mount + Ingenico Lane Quick-Release Adapter
RDW-WMT-PAX-PX7-BLK	Mount + Pax PX7 Adapter
RDW-WMT-M400/MX915-BLK	Mount + Verifone MX915/MX925/M400/M424/M440/M450 Adapter
RDW-WMT-P200/P400-BLK	Mount + Verifone P200/P400/P630 or Pax A35/S300
RDW-WMT-VX805/VX820-BLK	Mount + Verifone VX805/VX820

Accessories

MNTE10-UNIV-B Universal Tablet Enclosure*

* Requires Redwood VESA adapter, contact sales

WARRANTY

10 Years

Easily adjust the display tilt for a comfortable viewing angle

Designed to support payment terminals and tablet enclosures
