PERSONAL STORAGE SOLUTION

Collective Storage is a thoughtfully designed personal storage solution. Featuring softened curves and refined detailing that mirror Corva's modern aesthetic language, Collective Storage delivers clean visual simplicity while supporting the practical storage needs of today's workplace. Available in multiple configurations, Collective Storage provides flexible organization for personal belongings, workspace essentials, and secure under-desk storage within collaborative and individual environments.

Single Drawer

Dual Drawer

Hanging Locker

FEATURES

- **Three Configuration Options:** Available in single drawer, dual drawer, and under-desk locker configurations to support a wide range of personal storage needs and workplace applications.
- **Integrated Internal Organization:** Internal drawer compartments help organize smaller personal items and workspace essentials for improved functionality and accessibility.
- **Clean Front Aesthetic:** Minimal front detailing creates a clean, modern appearance that integrates seamlessly into contemporary workplace environments.
- **Hidden Stability Wheel:** A concealed third wheel provides additional stability and support while maintaining the unit's clean architectural appearance.
