

ELLEHAVEN™

TABLES

SLEEK DESIGN AND THE FREEDOM OF CHOICE.

Designed and manufactured in Denmark, Ellehaven's sleek and sophisticated design is only the beginning. Ellehaven's electric lift can be powered by cable or battery. This built-in flexibility makes this height-adjustable table suitable for any layout, while maintaining your environment's aesthetics. An integrated wire management tray holds batteries and wires in place for added organization.

Ellehaven's electric lift can be powered by cable or battery. This built-in flexibility makes this height-adjustable table suitable for any layout, while maintaining your environment's aesthetics. An integrated wire management tray holds batteries and wires in place for added organization.

FEATURES

- **Electric:** At the push of a button, electric power will lift Ellehaven to your preferred height at a rate of 1.5" per second.
- **Convenient:** The choice of cable or battery power makes rearrangements easy.
- **Smart:** Choose Bluetooth® Control for the ultimate in technological workspace integration.
- **A Safe Space™ Product:** Easily cleaned and disinfected between users.
