

HI HAT

HEIGHT ADJUSTABLE BASES

HAT
DESIGN WORKS™
HUMAN ACTIVE TECHNOLOGY

FREEDOM TO MOVE.

Create an active work environment with a base that offers maximum height capability. With Hi HAT, users have increased access to movement, which allows for a healthier, happier, and more productive work life.

Handset offers two mounting options to accommodate any edge profile

This sturdy three-stage electric base uses an easy-to-assemble, folding frame design. The width of the base is expandable and includes a reliable, programmable handset, dual sync motors, and the assurance of an anti-collision safety monitor.

FEATURES

- **Handset:** With two mounting options, the Hi HAT's handset matches the design of the Reya Power Family for one continuous aesthetic.
- **Integrated:** Includes programmable three-position LED handset and cable manager.
- **Electric Lift:** Dual sync motors allow for a 300 lb. lift capacity, which raises at 1.5" per second.
- **Smart:** Anti-collision safety sensor prevents accidents.
- **Flexible:** Also works in corner and 120-degree configurations.
- **Certified:** UL 962, Intertek Clean Air Gold, and qualifies for LEED credits.
- **A Safe Space™ Product:** Easily reconfigured to allow for social distancing in the workplace.
