

KITA

BASES

## ERGONOMICS. PERFORMANCE. AESTHETICS

Introducing Kita, a Danish-designed, height adjustable base that offers easy custom modifications with quick shipping. Expertly engineered, Kita's reimagined crossbar and lightweight frame offers quick and easy installation. Simple and sleek, Kita is ideal for all environments.

Whether in the office or at home Kita's easy install and lightweight frame reduces installation time.

---

### FEATURES

- **Ergonomic:** Quiet and easy controller allows for change of posture throughout the day.
- **Performance:** Choose from a 2-stage, or 3-stage height adjustment range to meet your ergonomic needs.
- **Aesthetics:** The L-shape cantilever foot offers a clean, modern, European design that compliments any office aesthetic.
- **Complementary:** Pair with a HAT Collective monitor arm and accessories to create a full ergonomic workspace.
- **Tech Integration:** Integrated smart technology with a digital switch and optional upgrade to a Bluetooth health tracker.
