## SIMPLY ELEGANT, WONDERFULLY FUNCTIONAL.

The SE 2 Leg, 2-Stage desking solution exemplifies the Danish design principles of simplicity and functionality. This electric, height-adjustable table offers a slightly smaller height range than the 3-Stage, but with equal weight capacity and visual configurations.

A wide range of color combinations, finishes, and surface shapes make the 2-Stage a highly customizable option. This electric sit-to-stand table comes in a 2-leg configuration with a long list of optional features.
