TARIFF SURCHARGE

Effective March 24, 2025, all new orders or additions will incur a tariff surcharge on the NET order cost. All Pending quotes and order changes may be subject to this surcharge. For updates or questions, please contact your HAT sales representative. We appreciate your continued partnership.

TERMS & CONDITIONS

1. RESERVATION OF RIGHTS

Seller reserves the right to change at any time without notice these terms and conditions.

Price quotes for shipments in 2025 and beyond are subject to change based upon the potential implementation of new tariff programs.

If a requested shipment date on a Purchase Order is more than 90 days after the Order Date, HAT reserves the right to adjust the price based on the potential implementation of new tariff programs or other material changes in costs.

The following terms and conditions shall apply to all orders by buyer ("Buyer" or "you") for goods and services purchased from Human Active Technology (individually the "Seller" or "Us", and, together with Buyer, the "parties"). By accepting delivery, Buyer agrees to be bound by and accepts these terms and conditions. These terms and conditions supersede the terms and conditions of or attached to the Buyer's purchase order or any similar document submitted by Buyer (a "Purchase Order"), meaning any provision of the Buyer's Purchase Order or attachment thereto which conflicts with these terms and conditions shall be ineffective and these terms and conditions shall govern each Purchase Order unless the Seller shall subsequently agree otherwise in writing.

2. PAYMENT TERMS

a. CREDIT – Credit may be extended to Buyer at Seller's sole discretion. Credit approval is required for all orders on open account. All products, parts and services sold to Buyer on open account are due 'Net 30 Days' from date of invoice, unless otherwise agreed to in writing at the time of sale. A service charge at the then-current prevailing rate is assessed on delinquent balances. Seller reserves the right to change this rate or the 'Net 30 Days' payment due date from time to time. Service charges will be assessed monthly. The current rate is 1.5% per month (18% annually) or the maximum rate allowed by law, whichever is less. Buyer is responsible for cancellation costs and attorney's fees associated with collection of monies owed to Seller by Buyer. Buyer shall notify Seller in writing of errors contained in invoices within 30 days of issuance. Invoices are deemed correct 30 days following issuance. Credit accounts past due will be placed on hold— pending orders will not be shipped and work-in-process for pending orders will be stopped until account is made current by Buyer.

b. DEPOSIT FOR LARGE ORDERS – For orders from new customers of \$20,000 or more, standard terms are: 1/2 deposit with the Purchase Order and 1/2 payment prior to shipment. For orders from established customers of \$50,000 or more, standard terms are: 1/2 deposit with the Purchase Order and 1/2 payment Net 30 Days.

3. CURRENCY

All prices quoted and monies due are in U.S. dollars. For non-U.S. customers, payment may be made by certified check, wire transfer or VISA, MasterCard or American Express.

4. DELIVERY & FREIGHT

a. U.S. SHIPMENTS – Unless otherwise negotiated, standard freight terms for order shipments within the 48 contiguous states of the United States are prepay and add to final invoice. Seller reserves the right to reasonably charge the buyer for all non-standard delivery requirements which may include but are not limited to:

- Consolidation and delivery on the same truck
- Expedited or air freight
- Special shipping or packaging methods
- Liftgates/forklift
- Delivery outside of normal hours
- Inside delivery
- Redelivery, notification, etc.
- Improper refusal of product
- Detention charges

- Street unloads
- Redirection of product
- Storage past acknowledged ship date

(All products in the catalog will receive ship dates respective of their product category and can be found on the following page: 10.)

i. Title passes to Buyer at the dock of the shipping origin. Choice of carrier is at Seller's discretion, unless specified by Buyer's Purchase Order. Freight charges are added to Buyer's invoice unless Buyer's Purchase Order specifies carrier routing, notes "freight collect," and includes applicable carrier account numbers and/or billing information.

ii. For Alaska – freight is prepaid to Port of Seattle, Washington. For Hawaii, freight is prepaid to Port of Oakland, California.

iii. Customer arranged pick up (will-call) is available with timely and reasonable coordination. Once confirmed, Buyer will have three (3) business days from notification to pick up the order. If the order is not picked up within this time frame, storage charges may apply.

iv. All requests for carrier-guaranteed delivery times shall be considered and will include an additional fee, if accepted. This additional fee will be the maximum liability to the Seller. If the carrier misses the guaranteed delivery time, a refund will be issued to customer.

b. NON-U.S. SHIPMENTS – Unless otherwise negotiated and accepted by the Seller in writing, shipments outside of the U.S. are shipped Freight On Board (FOB) Origin or Shipping Origin. Title passes to Buyer at the dock of Shipping Origin regardless of method of shipment. Transportation costs will be added to invoice unless Buyer's Purchase Order specifies carrier routing, notes "freight collect" and includes applicable carrier account numbers and/or billing information. Unless otherwise negotiated, Buyer is responsible for arranging customs clearance and for filing and paying all applicable duties and taxes outside of the United States.

c. DAMAGE – Seller is not responsible for damage that occurred in transit or during storage. Before accepting a shipment from the carrier, Buyer (and/or its designated receiver) is to carefully review the packing list and inspect the quantity and condition of the items. For any external damage, Buyer should document all damage on the Bill of Lading and request a carrier inspection of the product.

d. CONCEALED DAMAGE – Buyer must report concealed damage to the carrier and Seller, in writing, within 48 hours of receipt. In the event of damage, Buyer shall accept the order and contact Seller for issue resolution. Seller agrees to take all reasonable measures to assist Buyer in resolving claims for loss or damage.

e. EARLY SHIPMENTS – Estimated ship dates are sent with order acknowledgements. Seller may ship up to 5 days early, unless requested otherwise on Buyer's Purchase Order.

f. REPACKING CHARGES – Any Buyer requests to change shipment methods or destinations stated on Purchase Order, or any requests from Buyer for special packaging not stated on Purchase Order may result in repacking charges if requests require Seller to repack order.

5. TAXES AND DUTIES

Buyer shall be responsible for all taxes and duties which result from the transfer of title, sale or delivery of the goods and services purchased hereunder. Taxes may not be applied if a valid and correct tax exemption certificate is furnished to Seller prior to shipment.
