HAT benching quickly creates a productive, comfortable, and healthy office environment. Replace traditional workstations with all-in-one benching, allowing employees to maintain movement by alternating between sitting and standing positions throughout the day. Add an E2 or E2 Connex monitor arm for enhanced interactions between you and your technology.

E2 Connex: Easy to install, easy to change up, and easy to accessorize, the Connex monitor arm helps to build a complete, individualized workspace.

E2: With fast and easy install, a quick-release tilter, and sliders on its dual arm, the E2 proves to be the ideal monitor arm for both home and office environments.

Dual Bench: Replace traditional workstations with all-in-one benching, allowing employees to maintain movement by alternating between sitting and standing positions throughout the day for increased performance and productivity.

Storage: Keep your belongings organized and secure in a convenient storage unit on wheels. These heavy-duty steel pedestals come in two sizes and both include full-extension, lockable drawers.
