Our collection of in stock and standard products provides quick access to a wide array of beautifully designed, ergonomic workspace solutions. From height-adjustable tables to cable management and monitor arms, each intelligent work tool contributes to a healthy, productive experience.

**Hi HAT:** This expandable base includes a reliable, programmable handset, dual sync motors, and the assurance of an anti-collision safety monitor.

**Power Beam:** Keep your workspace organized and powered up with this convenient plug-in track.

**7000 Dual Crossbar:** The effortless movement of dual monitors allows for increased performance and productivity.

**Dividers:** Create privacy in any open environment with our easy-to-install partitions. Dividers add spatial barriers and distinctive design to an office landscape, prioritizing both functionality and aesthetic.

**Reya Power:** With a soft, convex surface Reya is our new desktop power solution, available in several options. Reya kicks off our new rounded, organic edge design language for HAT Collective.
