

# MOBILE SUCCESS

## FEATURED PRODUCTS

M-Nesting shown with a whiteboard finish **\$1,268**

Our mobile tables promote ergonomic work environments. These foundational workspace elements enable users to come together or work apart, sit or stand, share ideas or put their heads down. Whether at home or in the office, our flexible work tools empower you to work your way.

**M-Nesting:** Unique flower petal design allows for quick room reconfigurations and nesting saves space.
