Reya Power, surface module hardwired to powerstrip: **\$500**

**WHAT IS EDS?** When a customer request for a more customized, modified or unique product design solution is needed, that is when our Enhanced Design Solutions (EDS) division is engaged.

**Arc of Selection:** There are three EDS levels of selection:

1. Custom colors
2. Custom size or shape
3. Engineering product to fit into an existing system

**Elle:** Is the perfect companion for a healthy workday. This elegant, Parsons-style table offers unmatched stability compared to other 4-leg, height-adjustable models.

**7000 Dual:** Need to mount two screens? 7000 Dual, our productivity-enhancing dual monitor mount, allows you to effortlessly reposition both monitors with just one hand.

**Reya Power:** With a soft, convex surface Reya is our new desktop power solution, available in several options. Reya kicks off our new rounded, organic edge design language for HAT Collective.
